#### No. 5947.—SANITARY BOARD, KINTA.—

Minutes of a special meeting of the Kinta Sanitary Board held on Wednesday, 16th August, 1922.

PRESENT: Mr. A. J. Sturrock (*Chairman*), the District Officer, Kinta (Capt. Meadows Frost, M.C.), the Protector of Chinese, Perak (Mr. A. M. Goodman), the Chief Assistant District Officer, Kinta (Mr. N. K. Bain), the Health Officer, Kinta (Dr. E. H. Black), the Executive Engineer, Kinta (Mr. A. J. Slater), Mr. F. B. Sewell (Deputy Superintendent, Revenue Surveys, Kinta), the Hon'ble Mr. A. N. Kenion, M.F.C., J.P., Mr. H. J. Cooper, Mr. F. S. Physick, Dr. W. A. Rogers, J.P., and Towkays Thong Lim Seng, Foo Wha Cheng and Lee Ah Weng.

ABSENT: Datoh Abdul Wahab, J.P.

1. Assessment Rates for the year 1923: Correspondence on the subject having been circulated, the Chairman addresses the meeting pointing out that it is necessary under section 12 of "The Sanitary Boards Enactment, 1916" to recommend to the Resident the assessment rates to be levied in 1923 on the Sanitary Board areas within the district of Kinta. The Chairman draws special attention to the fact that the varying rates, fixed in the past, within one and the same Sanitary Board area have been declared to be illegal.

Capt. Meadows Frost proposes, and Dr. Black seconds, the adoption of the following rates as suggested in the memorandum drawn up by the Chairman:

Sanitary Board areas of Ipoh, Kampar, Batu Gajah and Gopeng	12 per cent.
Sanitary Board areas of Menglembu, Labat, Papan, Pusing and Tanjong Rambutan	10 per cent.
Sanitary Board areas of Jelapang, Tambun, Kopisan, Ampang, Siputeh, Tronoh, Sungei Raia, Pulau, Chemor, Kuala Dipang, Sungei Siput, Malim Nawar, Kota Bharu and Tanjong Tualang	8 per cent.

The resolution is put to the vote and carried.

2. Additional Rate under Section 13 of "The Sanitary Boards Enactment, 1916": The Chairman refers to the report of the sub-committee appointed in November last which was adopted at a meeting of the Board held on 18th January of this year. As in the opinion of the Legal Adviser it was too late to impose the additional rate for the year 1922, it was now necessary, in accordance with a resolution of the Board passed at the meeting on 22nd March, to consider whether it should be levied for the coming year.

Capt. Meadows Frost proposes, and Dr. Black seconds, that the additional rate for Ipoh and Kampar, recommended by the sub-committee, be imposed for the year 1923.

An amendment to the effect that this is not the time to exercise the power to impose an additional rate and that the matter be indefinitely postponed is proposed by Mr. H. J. Cooper, seconded by the Hon'ble Mr. Kenion.

On a show of hands the amendment is carried by a majority.

3. Valuation under Section 20 of "The Sanitary Boards Enactment, 1916": The following sub-committee is appointed: The Chairman, the Chief Assistant District Officer, Mr. H. J. Cooper and Towkays Thong Lim Seng and Lee Ah Weng.

4. The meeting terminates.

Mr. A. N. Kenion, M.F.C., J.P., Mr. H. J. Cooper, Mr. F. S. Physick, Datoh Abdul Wahab, J.P., Dr. W. A. Rogers, J.P., and Towkays Foo Wha Cheng and Lee Ah Weng.

4. Application for exemption from assessment on certain lands forming part of the Chetty Temple property, Ipoh: The Chairman reads a letter from Messrs Maxwell and Kenion on behalf of the Chetty community. Capt. Meadows Frost proposes, and Mr. A. J. Slater seconds, the following motion:

"That assessment be levied on the rateable property as before until such time as the question raised in connection with the Church of England property in Ipoh is settled".

The motion is agreed to.

5. Application for free use of the Town Hall, Ipoh: The Chairman submits an application for exemption from payment of the usual fee for the use of the Ipoh Town Hall on 5th August, 1922. Mr. Cooper proposes, and Dr. Rogers seconds, that the application be granted. Mr. Physick proposes an amendment, seconded by Mr. Goodman, that the application be refused. On a show of hands the amendment is carried by a majority.

6. Proposed shop-houses on Plan No. 13,447, Jalan Datoh, Ipoh: This matter is brought up in accordance with a resolution passed at the meeting on 17th August, 1921. The Board decide to let the matter stand over until a fresh application is made by the owner.

7. Encroachment on a road reserve at Kampar: The Chairman submits correspondence showing that a portion of the road reserve on the Kampar-Tapah Road has been encroached upon by the Societe des Etains de Kinta. The Board decide that the company be requested to move back immediately the hedge to the boundary of the road reserve.

8. Use of "Lower Padang," Ipoh, as a Recreation Ground: The subject of the use of the "lower padang" as a recreation ground having been raised by the Resident, the Chairman states that it is suggested to place it under the control of the Ipoh Club on the same terms as the "upper padang." The conditions under which the Ipoh Club would take over and upkeep the ground were still under consideration. The Board do not object in view of the fact that previous proposals had fallen through.

9. Recreation ground for the Perak Chinese Recreation Club: Correspondence on the subject and a plan having been circulated, Capt. Meadows Frost submits the following proposal:

(i) Northern portion of State land near the Sungai Pari to be declared a reserve for the purpose of recreation to be maintained by the Perak Chinese Recreation Club. The reserve to be sufficiently large for a small pavilion and eight tennis courts.

(ii) Southern portion of the State land above referred to be declared a reserve for the purpose of recreation to be maintained by the Chairman, Kinta Sanitary Board.

(iii) The condition of creating the first reserve to be that the Perak Chinese Recreation Club shall at their own cost make a full-sized football ground on the second reserve with enough room surrounding it for spectators. They shall also, at their own cost, acquire the land, as shown on the plan, sufficient to make an access road and to make it to the satisfaction of the Executive Engineer. When made the road will be upkept by Government.

The Board agree to the proposal.

Mr. Lee Ah Weng, seconded by Mr. Sewell, submits the following addendum:

"That the Perak Chinese Recreation Club be given some voice in the management of the public football ground."

The addendum is agreed to.

10. Approach Drive to St. Michael's School, Ipoh: The Chairman brings the matter up again at the request of the Resident. The Board reaffirm the decision they arrived at the meeting held on 19th July last.

11. Admission of the Press to Sanitary Board Meetings: Dr. Rogers addresses the meeting regarding the motion standing in his name and proposes, seconded by Mr. Goodman, that the resolution of 21st September, 1921, be rescinded and that the Press be admitted to the meetings of the Board. The Hon. Mr. Kenion submits an amendment, seconded by Mr. Cooper, to the effect that no change be made. On a show of hands the amendment is lost. The original motion, on being put to the vote, is carried by a majority of one.

Mr. Slater proposes, and Mr. Physick seconds, that the Press report before publication be submitted to and approved by the Chairman. The resolution is carried.

12. Suggested non-enforcement of the order requiring buffalo keepers to reside on the Dairy Reserve, Ipoh: The Chairman explains that owing to the very large number of buffaloes to be accommodated and the risk of the total stoppage of the fresh milk supply in the event of an outbreak of infectious disease it is suggested, on the advice of the Government Veterinary Surgeon, not to enforce the order regarding milking at the Public Dairy so far as buffalo keepers are concerned. The Board agree to the non-enforcement as a temporary measure only.

13. Septic tank installation on plan No. 11,853, Ipoh: The Chairman submits a plan and the special conditions under which such an installation may be permitted. The Board generally approve subject to the Executive Engineer's recommendations as to the effluent.

14. Danger to traffic caused by the Punjabi settlement on the Gopeng Road, Ipoh: Mr. Cooper draws attention to the danger to traffic caused by the Punjabi settlement on the Gopeng Road near the entrance to the Swimming Club. The Chairman promises to make inquiries and submit recommendations.

15. The Board adjourn *sine die*.

Ipoh,

24th August, 1922.

A. J. STURROCK,  
*Chairman.*

## PUBLIC TRUSTEE ENACTMENT.

No. 4609.—An office of the Public Trustee for the Federated Malay States having been established in Kuala Lumpur, the attention of the public is invited to the twofold advantages offered by this office in the administration of estates and trusts.

Firstly, there is a continuity of management. The administration of estates or trusts by private persons is often protracted or impeded by the death or absence from the country of the administrators or trustees, rendering necessary frequent, and sometimes expensive, applications to the Court. The Public Trustee, on the other hand, holds office continuously, and no further reference to the Court is necessary, notwithstanding that the holder of the office may be changed from time to time.

Secondly, there is a guarantee by the Government, the revenues of the country being liable, under certain conditions, to make good all sums required to discharge any liability incurred by the Public Trustee.

The Public Trustee will undertake two classes of trusts, for which fees on a moderate scale, as approved by the Government, will be charged.

Firstly, he will administer small estates of deceased persons, if the gross capital value of the estate is less than \$5,000. Any person, who would be entitled to apply to the Court for an order for the administration of such an estate, may apply instead to the Public Trustee to administer the estate. Further, any estate, of whatever value, which is being administered by an executor or administrator, may, with the sanction of the Court and on the application of the executor or administrator or of any person beneficially interested, be handed over to the Public Trustee to administer.

Secondly, any person may appoint the Public Trustee to be executor of his will or to be trustee of any will or settlement or other instrument creating a trust (other than a trust exclusively for religious or charitable purposes).

Further particulars can be obtained on application to the Public Trustee at his office in the Supreme Court, Kuala Lumpur.

No. 2730.—PUBLIC OFFICERS' GUARANTEE FUND.—NOTICE.—There are unclaimed balances in the Public Officers' Guarantee Fund standing to the credit of officers who have died, resigned or ceased to contribute, payment of which will be made on claims being satisfactorily established.

Any further information can be obtained from the Secretary, Public Officers' Guarantee Fund, Kuala Lumpur, to whom also all claims for refund should be addressed.
